

It's Sunday, and Felix the Fox wanted to see his friends.

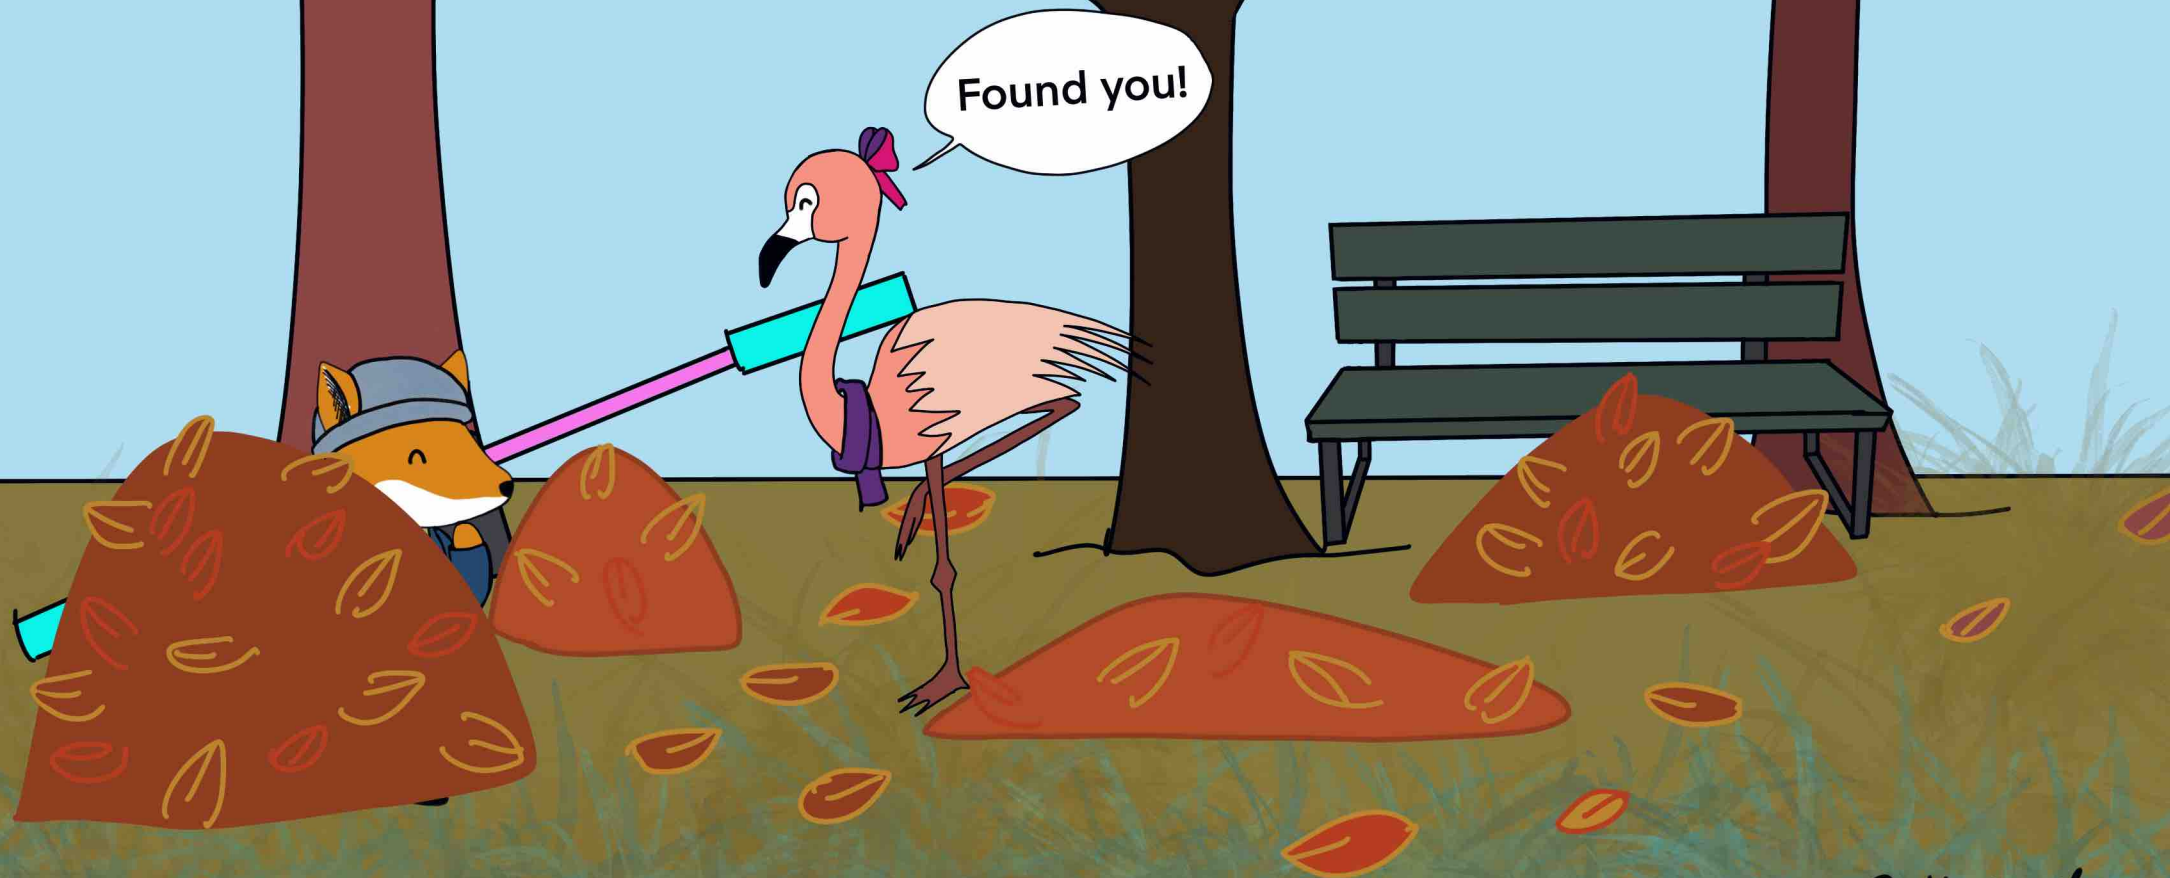

Felix the Fox called his friend Fiona the Flamingo, and they decided to go to the park.

They went to the park, and found it full of fallen leaves!  
"Wow!" Felix the Fox said.  
"It looks like fun!" Fiona the Flamingo said.  
"Let's play hide and seek!" Felix the Fox said.

And so Fiona the Flamingo and Felix the Fox played hide and seek with the fallen leaves. They had a lot of fun.

"I'm tired now," Felix the Fox said.

"Me too." Fiona the Flamingo said, "do you want to play together again next Sunday?"

The friends agreed to find something fun to play together again next Sunday, then they went home.
